

How to cancel CampusCare during a published open enrollment period

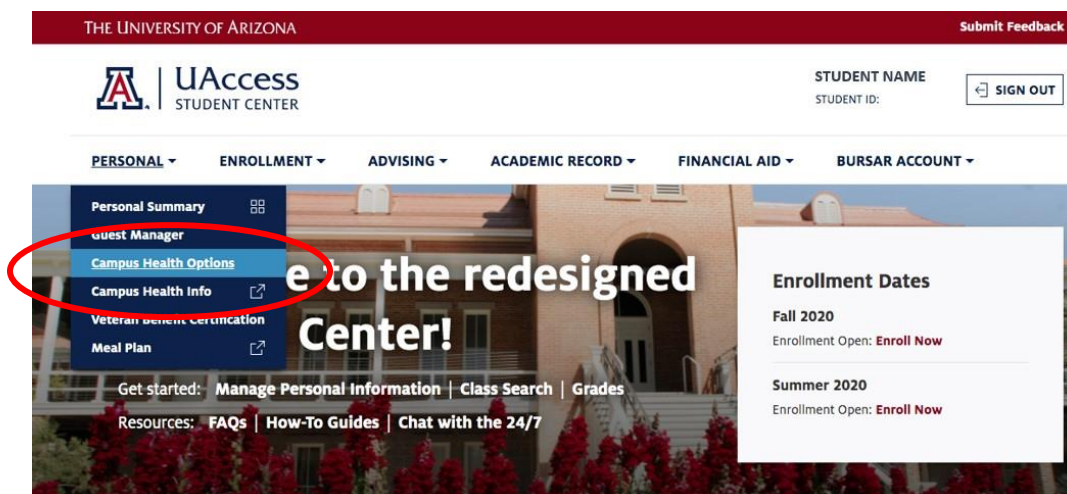

Please note that changes can only be made during a published open enrollment period once the student is registered for classes.

1. Log into your UAccess Student Center at <https://uaccess.arizona.edu/>

The screenshot shows the UAccess Student Center homepage. At the top, there is a navigation bar with the University of Arizona logo and 'UAccess' text. Below this is a 'STUDENTS' dropdown menu with options: Student Center (indicated by a green triangle), Guest Center (green circle), Instructor Center (green circle), and Administrative Staff (green circle). The main navigation bar includes: PERSONAL (highlighted with a red arrow), ENROLLMENT, ADVISING, ACADEMIC RECORD, FINANCIAL AID, and BURSAR ACCOUNT. The main content area features a large banner with the text 'Welcome to the redesigned Student Center!' and a sidebar with 'Enrollment Dates' for Fall 2020 and Summer 2020, both with 'Enroll Now' links.

2. In the menu, under the “Personal” tab, select “Campus Health Options.”
(Note: This link is active *after* you have registered for classes for the semester).

The screenshot shows the 'Personal' menu expanded. The menu items are: Personal Summary, Guest Manager, Campus Health Options (circled in red), Campus Health Info, Veteran Student Certification, and Meal Plan. The background of the page shows the same 'Welcome to the redesigned Student Center!' banner and enrollment dates sidebar as the previous screenshot.
