What is Free Condom Friday (FCF)?

A program that provides a variety of free safer sex materials and sexual health education resources to reduce the risk of sexually transmitted infections (STIs) and unintended pregnancies

- **Every Friday from 12-2pm** during the academic year in front of Campus Health
- Staffed by Senior Public Health Interns

We distribute:

External condoms

Internal condoms

Lube

Latex dams (flavored)

Gloves

1,271

Students attended FCF from Fall 2024- Spring 2025

6,355

External condoms were distributed from Fall 2024- Spring 2025

Free Condom Friday Survey Insights:

Spring 2025, n=131

Free Condom Friday makes students more likely to use a condom during sex.

89%

said that because of FCF, they were more likely to use a condom

55%

said they would be less likely to use a condom if FCF wasn't available

100%

who took sexual health handouts at FCF found them to be helpful

94%

said they felt most comfortable getting condoms at FCF than anywhere else

96%

would recommend FCF to a friend

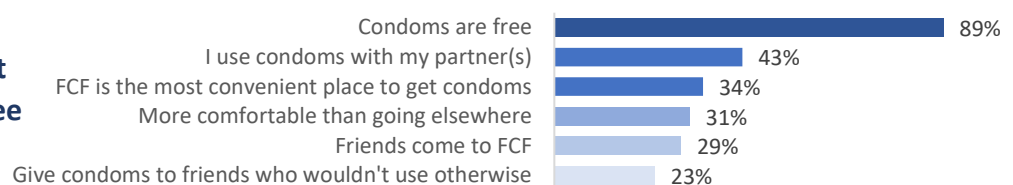

92%

are more aware of services offered at Campus Health because of FCF

Students use FCF for a variety of reasons, but mostly because it's free

I go to Free Condom Friday because:
