CAMPUS HEALTH

CELEBRATING OVER
100
YEARS *of quality care at the UA*

our vision...

We strive to create a safe, respectful, and healthy community for University of Arizona students and others we serve through our commitment to high standards of care and our collaboration with community partners.

our mission...

To promote health, wellness, and safety among the students and community we serve.

main location

Highland Commons
1224 E. Lowell St.
Tucson, AZ 85721

WHO WE ARE

The Campus Health Service promotes health, wellness, and safety at The University of Arizona through the provision of:

- Quality outpatient medical care
- Professional mental/behavioral health services
- Innovative health education and prevention programs
- Consultation to Faculty, Staff, and Administrators
- Expert assistance in the development of health-related policy and emergency response planning for the university

Our staff is diverse, highly credentialed, and experienced in their respective specialties.

Campus Health is proud to have provided over 100 years of quality care and service. We were the first college health service to be nationally accredited. Our ongoing accreditation by the Accreditation Association for Ambulatory Health Care (AAAHC) assures that we meet the highest professional standards.

We offer a comprehensive array of services to Arizona students, as well as a number of offerings for faculty and staff. Appointments and walk-in visits are available Monday through Friday, with on-call medical and mental health providers available 24/7.

Campus Health also recognizes that there are times when a student's health needs are first noticed by parents, faculty/staff, or other concerned parties. Two programs, established by Counseling & Psych Services (CAPS), meet these needs. The award-winning "Parents Matter" program assists parents who have concerns about their student's emotional or behavioral health. The "Call & Consult" program provides similar consultation for faculty, staff, and others.

PROVIDING SERVICE

Services Offered at Campus Health:

- General Medicine
- Counseling and Psych Services (CAPS)
- Health Promotion and Preventive Services (HPPS)
- Triage & Walk-in Services
- Women's Health
- Sports Medicine
- Physical Therapy
- Orthopedics
- Immunizations & Travel Clinic
- Massage Therapy
- Nutrition Services
- Oasis Sexual Assault and Trauma Services
- Pharmacy
- Clinical Laboratory
- Radiology Unit (X-Rays)
- Medical Referrals
- CAPS Online Services
- CAPS After Hours Phone Line (Crisis Counseling)
- Satellite Clinics (McKale, Lowell Stevens)
- CAPS Yuma Hall Satellite Clinic
- CAPS North District Clinic

The Campus Health Service also contributes to the health, wellness, and safety of the greater university community through:

- Medical and Mental Health Crisis Response
- Threat Assessment and Management
- Mental Health and Suicide Risk Assessment
- Suicide Prevention Training
- Emergency Preparedness Planning
- Pandemic Management and Response
- Mass Immunization
- Public Health Initiatives and Campaigns
- Student and Employee Education and Training
- Research and Evaluation
- Stress Reduction & Mindfulness Programs
- Collegiate Recovery Program

Our strength in research and evaluation has also allowed us to obtain external funding for the development of innovative health promotion programs for the college population. Since 2000, we have received a total of 20 state and federal grants in the areas of substance abuse, interpersonal violence, and suicide prevention totaling \$8.1M. Our substance abuse prevention efforts have garnered national recognition from both the U.S. Department of Education and the Substance Abuse and Mental Health Services Administration (SAMHSA).

CAMPUS HEALTH

PROMOTING HEALTH AND LEARNING

Campus Health provides critical medical, behavioral health, and prevention services that help Arizona students remain in school. We see health and wellness as part of the foundation of academic success.

As another part of our academic mission, the Campus Health Service provides professional training and other educational opportunities to students from a variety of colleges, departments, and programs at Arizona. These include:

- Preceptorships for Medicine, Nursing, Nurse Practitioner, and Pharmacy students
- Medical Resident and Sports Medicine Fellowship trainings
- Internships for Nutrition, Psychology, Psychiatry, Public Health, Social Work, Media Arts, and Eller College students
- Course instruction and guest lectures for a number of colleges, including the College of Medicine, the College of Public Health, Nutritional Sciences, and the Eller College
- Research collaborations across campus
- Campus presentations and educational events addressing a wide variety of health and mental health topics
- Employment opportunities for students, which enhance their professional development

COLLABORATIONS

As part of our commitment to fostering health and safety, Campus Health is actively engaged in creating partnerships across campus.

A few of our key campus partners include:

- The Dean of Students Office
- Campus Recreation
- Housing and Residential Life
- Student Unions
- Fraternity and Sorority Programs
- University of Arizona Police Department (UAPD)
- Student VETS Center
- Women and Gender Resource Center (WGRC)
- LGBTQ Affairs
- Arizona Cultural Centers
- Office of Global Initiatives
- Parking and Transportation
- Athletics
- College of Fine Arts; School of Dance
- ROTC
- Office of Scholarships and Financial Aid
- University of Arizona Emergency Medical Services (UEMS)
- Arizona Active Minds
- Center for English as a Second Language (CESL)
- Student Health Advocacy Committee (SHAC)
- Student Health Insurance Advisory Committee (SHIAC)
- Graduate & Professional Student Council (GPSC)
- Health & Recreation Fee Student Advisory Board

Acknowledging that many of the issues that impact our students do not begin or end at the campus boundaries, Campus Health is also connected in meaningful ways to the wider community at the state and local levels:

- Pima County/Tucson Commission on Addiction Prevention and Treatment
- Arizona Department of Behavioral Health Services
- The Arizona Institutions of Higher Education Network
- Southern AZ Center Against Sexual Assault (SACASA)

CONCLUSION

Thank you for your time and interest in Arizona Campus Health Service.

We look forward to serving you!

The Campus Health Service takes great pride in the contributions we make to The University of Arizona community. Our services have helped countless students remain at Arizona and reach their full potential. Our clinical care has consistently earned high satisfaction ratings from our patients. Additionally, the instructional and mentorship programs we provide have enriched the education and professional development of graduate, undergraduate and professional students. For over 100 years, the Arizona Campus Health Service has made our campus community a safer and healthier place to learn, live, and work.
