

Aetna Student Health

Plan Design and Benefits Summary

University of Arizona

Policy Year: 2016 - 2017

Policy Number: 697442

This is a brief description of the Arizona Board of Regents Student Health Insurance Plan for the University of Arizona. The Plan is available for University of Arizona students. The Plan is underwritten by Aetna Life Insurance Company (Aetna). The exact provisions governing this insurance, including definitions, are contained in the Master Policy issued to the University of Arizona and may be viewed online at www.aetnastudenthealth.com. If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits.

UA CAMPUS HEALTH SERVICES

When you need care, UA Campus Health Service is your first stop. Students must first receive care at the UA Campus Health Services in order to receive benefits at the Preferred Care level. They can provide many of the routine health services you need. You also may visit any licensed health care provider directly for covered services in Aetna's Preferred Provider* network (doctors, specialists, facilities except that specific Plan restrictions on certain services may apply.) However, when you visit UA Campus Health Services first, you'll generally pay less out of your own pocket for your care.

Referral Requirement for Preferred Care Benefits:

If a referral is not obtained from UA Campus Health for medical or mental health services in the community, benefits will be paid at the Non-Preferred Care level of benefits. A referral from the UA Campus Health Service is not necessary for the following:

- Emergency Room Services and participating Urgent Care facilities. All follow-up treatment must be arranged through the UA Campus Health Service.
- Urgent Care Expenses
- Maternity Care
- Obstetric and Gynecological Treatment
- Annual Eye Exam
- Injury to Sound, Natural teeth
- Pediatric Care
- Preventive/Routine Services (services considered preventive according to Health Care Reform and/or services rendered not to diagnosis or treat an Accident or Sickness).

Out-of-Area Members: Students doing their studies in a rural community or in another state can obtain direct access to health care services through Aetna Preferred Providers when arrangements are made through the UA Campus Health Insurance Office.

To learn more about Preferred Providers, visit www.aetnastudenthealth.com.

*Providers are independent contractors and are not agents of Aetna. Provider participation may change without notice. Aetna does not provide care or guarantee access to health services.

Student Coverage

Eligibility

Please visit <http://www.health.arizona.edu/> (select Fees & Insurance) for enrollment instructions, detailed information and eligibility requirements.

Please make sure you understand your school's credit hour and other requirements for enrolling in this plan. Aetna Student Health reserves the right to review, at any time, your eligibility to enroll in this plan. If it is determined that you did not meet the school's eligibility requirements for enrollment, your participation in the plan may be terminated or rescinded in accordance with its terms and applicable law.

If withdrawal from classes is before the end of the open enrollment or is for entering the armed forces a full refund will be made. If withdrawal is after the last day of the open enrollment no premium refund will be made and students will be covered for the Policy term for which they are enrolled.

However, if **covered student** withdraws from classes for a second consecutive semester, coverage will terminate on the date of the second withdrawal and a pro-rated premium refund will be made.

Premiums will be refunded on a pro-rata basis if withdrawal from the school is due to entering the armed forces of any country.

Enrollment

During "Open Enrollment," notices are sent by broadcast email in compliance with The University of Arizona email policy. These notices go to the student's official University of Arizona email address (**@email.arizona.edu**).

Auto-enrollment: Once enrolled, you will be automatically re-enrolled and billed the appropriate premium through the UA Bursar's Office in future semesters (each fall and spring) upon registering for units, providing you meet eligibility. This also applies to students who have or had a graduate assistantship. If you wish to cancel coverage, you must do so during the published open enrollment. All open enrollment notices and information regarding the Student Health Insurance Plan is sent to the student's official University of Arizona address. The UA Campus Health Insurance Office notifies students who are not meeting eligibility requirements through their official UA email address.

International Students

Participation in the Plan is required for all international students on non-immigrant visas, unless one qualifies for an exemption. The list of qualifying circumstances may be viewed at www.health.arizona.edu (select Fees & Insurance).

For further assistance, please call the UA Campus Health Insurance Office at **520-621-5002**.

Medicare Notice

A person who is eligible for Medicare at the time of enrollment under this plan is not eligible for medical expense coverage and prescribed medicines expense coverage. If a covered person becomes eligible for Medicare after he or she is enrolled in this plan, such Medicare eligibility will not result in the termination of medical expense coverage and prescribed medicines expense coverage under this plan. As used within this provision, persons are “eligible for Medicare” if they are entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.

Preferred Provider Network

Aetna Student Health has arranged for you to access a Preferred Provider Network in your local community. To maximize your savings and reduce your out-of-pocket expenses, select a Preferred Provider. It is to your advantage to use a Preferred Provider because savings may be achieved from the Negotiated Charges these providers have agreed to accept as payment for their services.

If a service or supply that a covered person needs is covered under the Plan but not available from a Preferred Care Provider, covered persons should contact Member Services for assistance at the toll-free number listed on your ID card. In this situation, Aetna may issue a pre-approval for a covered person to obtain the service or supply from a Non-Preferred Care Provider. When a pre-approval is issued by Aetna, covered medical expenses are reimbursed at the Preferred Care network level of benefits.

Pre-certification Program

Your Plan requires pre-certification for a hospital stay. Pre-certification simply means calling Aetna Student Health prior to treatment to get approval for a medical procedure or service. Pre-certification may be done by you, your doctor, the hospital, or one of your relatives. The pre-certification process can be initiated by calling Aetna at the telephone number listed on your ID card.

If you do not get pre-certification for non-emergency inpatient admissions, or give notification for emergency admissions, your covered medical expenses will be subject to a **\$500** per admission Deductible.

If you do not get pre-certification for partial hospitalizations, your covered medical expenses will be subject to a **\$500** per admission Deductible.

You'll need pre-certification for the following inpatient services:

- All inpatient admissions, including length of stay, to a hospital, skilled nursing facility, a facility established primarily for the treatment of substance abuse, or a residential treatment facility;
- All inpatient maternity care, after the initial 48 hours for a vaginal delivery or 96 hours for a cesarean section;
- All partial hospitalization in a hospital, residential treatment facility, or facility established primarily for the treatment of substance abuse

Pre-certification does not guarantee the payment of benefits for your inpatient admission.

Each claim is subject to medical policy review, in accordance with the exclusions and limitations contained in the Policy, as well as a review of eligibility, adherence to notification guidelines, and benefit coverage under the student Accident and Sickness Plan.

Pre-certification of non-emergency inpatient admissions and partial hospitalization

Non-emergency admissions must be requested at least **three (3) business days** prior to the planned admission or prior to the date the services are scheduled to begin.

Pre-certification of emergency inpatient admissions

Emergency admissions must be requested within **one (1) business day** after the admission.

Please see the “Pre-certification” provision in the [Master Policy][Certificate of Coverage] for a list of services that require pre-certification. Please see the Schedule of Benefits for any penalty or benefit reduction that may apply to your coverage when pre-certification is not obtained for the services or supplies listed above when received from an out-of-network provider.

Description of Benefits

The Plan excludes coverage for certain services and contains limitations on the amounts it will pay. While this Plan Design and Benefits Summary document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. The full Plan description, which is contained in the Master Policy issued to the University of Arizona, may be accessed online at www.aetnastudenthealth.com. If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits. All coverage is based on Recognized Charges unless otherwise specified.

This Plan will pay benefits in accordance with any applicable Arizona Insurance Law(s).
